

# Enrichment at St Patrick's

*"With God all things are possible"*  
Matthew 19:26

SMSC stands for spiritual, moral, social, and cultural development, which refers to the broader personal development of children. It encompasses a wide range of values, beliefs, and experiences that shape an individual's identity and understanding of the world around them. At St Patricks we strive to strengthen the SMSC development of our children through awe inspiring experiences and exposure to the evolving world around them.

## SEVEN *before 11*

- Visit the seaside and build a sandcastle
- Attend a live theater performance to appreciate the arts
- Visit a place of worship
- Visit a farm and help care for the animals
- Build a den and enjoy a book inside it
- Engage in a debate around a topic that they feel passionate about
- Go on a residential trip

**Each of these experiences are designed to enrich the lives of our students, helping them to grow into well-rounded, empathetic, and knowledgeable citizens. At St Patrick's, we believe that such diverse encounters are crucial in nurturing a sense of wonder and encouraging lifelong learning.**
